

Dear John,

I just wanted to thank you for your donation of \$100.00 to the First Colonial High School Boys Lacrosse team. As it turns out your donation was used for a very special purpose and I thought you should know.

On April 11, 2016, Russell Price, the father of one our team members died unexpectedly of a heart attack. He was only 45 years of age. The envelope with your donation was still on my desk and that was what I used to send flowers from the team. The funeral was in Newport News and the boys could not go so it meant a lot to the family, especially his son, to know that his fellow teammates were there in spirit and thinking about him.

Thank you again for your generosity.

Sincerely,

*Johanne Tydings*  
Jo Tydings and

the FCHS Lacrosse Team Members
